

# The Belize Science Success Program

“Unlocking The Future, One Teacher At A Time”

Collaboration between the Episcopal Diocese of Ohio and the Anglican Diocese of Belize

## Science Lead Teachers:

- \*Belize teachers are being trained researched hands-on science teaching methods and strategies, by Ohio teachers, to be used within their classrooms.
- \*They are also being trained to be educational leaders within their schools.

## Professional Pen Pals:

- \*Teachers and retired teachers from the Diocese of Ohio are paired with Science Lead Teachers in Belize
- \*The Pen Pals support the Lead Teachers as they implement science research-based teaching strategies.

## Science Summer Camp Belize, 2017 and 2108

- \*80 elementary students took part in a 4 day camp like environment.
- \*They took part in 16 activities based on Earth, Physical, Life and Space sciences.
- \*Four Ohio teachers paired up with four Lead Teachers to teach the camp lessons.
- \*The Lead Teachers then trained their fellow teachers, in the fall, on how to run a science camp and how to use the 16 camp activities within their own classrooms.
- \*100% of donations will sponsor student camp scholarships.

## St. Luke’s Belize Science Lead Teacher Small Grant Program:

- \*The Small Grants are intended to support Belize Science Lead Teachers, in their efforts to develop, Improve and expand innovative instructional programs, projects, and activities in science related areas
- \*Grants will be awarded to individual Lead Teachers.
- \*The Small Grants Program is managed by St. Luke’s Church: Chardon, Ohio
- \*100% of donations will go to the teachers in Belize.

**For more information or to make a donation to the above programs please contact: Dr. Matthew Teare at [matteach@windstream.net](mailto:matteach@windstream.net)**
