

# The Mission Success Model

## Components

1. An invention to help with a concern/need
2. A long-term commitment
3. Developing a plan together
4. Funding
5. Continuous/on-going evaluations
6. Developing new program components
7. Involvement from all parties

\*For more information/questions on this model: please contact Dr. Matthew Teare at [matteach@windstream.net](mailto:matteach@windstream.net)
